WHAT IS A HOME CARE PACKAGE?

The Australian Government's Home Care Package program supports older people to live independently.

Having a Home Care Package is a great way to get support with one or more everyday tasks in your home. These tasks can be done with you or for you as required, making sure you have choice over the services you need.

Your eligibility for a Home Care Package is established through a My Aged Care assessment, who will allocate you a Level 1 (lowest) through level 4 (highest) package.

WHERE DO I START, HOW CAN I FIND OUT MORE?

To find out if you are eligible for a Home Care Package, ring My Aged Care on **1800 200 422** to request an assessment. You can also visit www.myagedcare.gov.au.

Once a Home Care Package is approved you can choose HART Services to assist you. We are a local approved government provider who will work closely with you because we are local. Our staff will listen to you and take the time to answer all your questions, so your Home Care Package will really suit your requirements and independent lifestyle.

HART Services would be happy to assist you with this process, please call and ask to speak to our Client Care Services on:
